Region VI- Regional Corporate Partnership Packet

Greetings,

On behalf of the National Society of Black Engineers (NSBE), we invite your company to partner with NSBE to recruit top diverse engineering talent, maximize your corporate visibility, and positively impact the global community.

The National Society of Black Engineers, founded in 1975 is the world's premier organization serving black engineers, scientists, technologists and mathematicians. NSBE is a non-profit, student-managed organization, with full-time professional staff headquartered in Alexandria, VA. NSBE's mission: "To increase the number of culturally responsible Black engineers who excel academically, succeed professionally, and positively impact the community," is now embraced by more than 33,000 active members of all racial backgrounds throughout the six NSBE regions across the U.S. and internationally. Its membership is made up of three demographics: 20% alumni/technical professional; 50% collegiate members and 30% pre-college initiative members. NSBE's regional conferences, national conferences, and annual convention provide sponsors with the opportunity to gain full access to members while maximizing sponsorship visibility. A record number of companies, government agencies and academic institutions have facilitated NSBE's growth by supporting its programs and participating in regional conferences and the annual convention, which attracts nearly 10,000 attendees. Additionally, well over 200 exhibitors and sponsors participated in NSBE events during the 2008-2009 year. Moreover, these events have benefited our partners and supporters by providing premier access to top engineering student and technical professional talent.

In addition, NSBE has strived for the ideals of sensitivity for its partners during these tough economic times and first ever international convention. NSBE values and cherishes every relationship. The organization is most humbled by the dedicated partners that are remaining as supporters. As a result, a number of added benefits have been offered for the upcoming fiscal year. We encourage you and your colleagues to review the entire partnership packet. Discover what great opportunities will benefit your company and our rapidly growing membership.

Thank you and we look forward to your participation and support!

Warm Regards,

Michael Sanjeev Owens

Region VI- Regional Corporate Partnership Packet

Dear Corporate Partners,

On behalf of the National Society of Black Engineers (NSBE), I would like to invite you to build a mutually beneficial relationship with the largest non-profit and student managed organization in the country through financial and professional support.

While developing a treasured rapport with Region VI, your company will contribute to the development and implementation of programs vital to fulfilling the NSBE mission, **“To increase the number of culturally responsible black engineers who excel academically, succeed professionally, and positively impact the community.”**

NSBE strives for the recruitment and retention of young minority students majoring in a wide variety of fields, such as engineering, technology, mathematics, and physical sciences. **NSBE Region VI is the largest geographical region within the organization** comprised of numerous chapters from 13 western states (Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington, and Wyoming) with more than 1300 PCI, collegiate and alumni members. In an effort to fulfill our mission, Region VI has developed numerous amounts of programs and conferences for the academic, professional and cultural advancement of our members. **The Pre-collegiate initiative program (PCI), founded by Region VI** in 1971, was designed to promote academic excellence among students in grades 6-12, and has since been adopted and implemented as a national initiative. The NSBE alumni extension program is comprised of young technical professionals and offers benefits such as professional training, leadership development, mentoring opportunities, community outreach and access to employment opportunities; these members also offer advisory support to our region.

Our corporate sponsors hold an important place in allowing us to continue our existing programs and to implement new ones. Your support and involvement with Region VI will enable your company to gain **access to some of the best and brightest engineers and leaders** this nation has to offer, as well as to ensure the successful fulfillment of our mission.

Enclosed in this packet you will find a brief summary of our Region VI programs that are offered throughout the year as well as our available sponsorship opportunities. Pre-constructed packages are included in this packet, whereby your company can analyze the breakdown and benefits of each contribution. If your company is interested in providing support please respond as soon as comfortably possible.

On behalf of NSBE and Region VI, I thank you for your interest in our organization, but more importantly for helping NSBE Region VI offer support to our members. If you have any questions or concerns please browse our website at www.nsbe.org/region6/ or feel free to contact me at (323)-401-4861 or at r6finance@yahoo.com

Sincerely,

Karla T. Sanchez

Region VI- Regional Corporate Partnership Packet

Fall Regional Conference (FRC)

November 20th-22nd
Hyatt Regency Long Beach
Long Beach, CA

The 2009 Fall Regional Conference, similar to the leadership conference **consists of 3 mini-conferences: PCI, Collegiate and Professional development**. Although while still providing leadership training, promoting academic excellence, and encouraging positive community involvement through various workshops, this conference also allows all conference attendees a chance to **network with numerous companies in our annual career fair** as well as participate in many scholarship competitions. In addition to the career fair all participants whether collegiate, pre-collegiate, or alumni have the opportunity to gain quality information about various undergraduate and graduate programs directly from college representatives **in our annual college fair**.

Over a 3-day period pre-collegiate students will participate in college preparatory workshops, math and science competitions, learn about various engineering professions and establish mentorship interactions with collegiate students. Collegiate members will be involved in academic excellence and professional development workshops, scholarship competitions, learn about graduate schools in Region VI, and gain direct access to internships and entry level positions with various companies at the career fair. The alumni and technical professionals pursue professional training, career advancement workshops, corporate executive roundtable discussions, and technical certification workshops.

As the **largest gathering event for NSBE Region VI**, this conference serves as a great opportunity for **all of our sponsors to gain direct access to a highly talented** and motivated group of engineering students and professionals looking to further their advancement academically, culturally and professionally.

The Benefits of NSBE Region VI Partnership Opportunities include but are **not limited** to the following:

- Access to Student and professional database for to up 12 months
- Opportunity to speak at our FRC
- Opportunity to pick preferred placement at FRC Career Fair
- Advertisement in our FRC handbook
- Company logo on our Region VI website
- Free email blasts to all of the 2,200+ members of our region through the year.
- An interview booth during the FRC career fair

And many more benefits come from NSBE Region VI Partnership Opportunities.

Region VI- Regional Corporate Partnership Packet

FRC General Partnership Opportunities

Platinum Sponsor

Criteria: Donations of \$6,500+

Sponsorship Code: R6S0705

Two (2) exhibit tables at the career fair
Two (2) interview booths during the career fair
Five (4) complimentary conference registrations
Four (4) complimentary tickets to the FRC closing extravaganza
Four (4) complimentary tickets to the graduating senior's reception
Student and professional database access for 12 months
Special sign in career fair booth denoting 'Platinum Sponsor' status
Opportunity to pick preferred placement on career floor
Opportunity to speak at our FRC opening session
Full-page advertisement in our FRC program handbook
Featured Sponsor on the front page of our Region VI website
2 Free email blasts to all of the 2200 members of our region through the year

Gold Sponsor

Criteria: Donations of \$5,000+

Sponsorship Code: R6S0706

Two (2) exhibit tables at the career fair
Two (2) interview booth during the career fair
Four (4) complimentary conference registrations
Four (4) complimentary tickets to the FRC closing banquet
Three (3) complimentary tickets to the graduating senior's reception
Student and professional database access for 6 months
Opportunity to pick preferred placement on career floor
Half-page advertisement in our FRC handbook
Featured sponsor on the front page of our Region VI website

Silver Sponsor

Criteria: Donations of \$3,600+

Sponsorship Code: R6S0707

One (1) exhibit table at the career fair
One (1) interview booth during the career fair
Three (3) complimentary conference registrations
Three (3) complimentary tickets to the FRC closing banquet
Two (2) complimentary tickets to the graduating senior's reception
Student and professional database access for 3 months
Quarter-page advertisement in our FRC handbook
Company logo on our Region VI website

FRC Program Sponsorship Opportunities

Pre-Collegiate Conference

PCI-Mini-Conference

This will take place during FRC where collegiate and professional members interact with and educate high school students. These workshops will include topics such as, financial aid, engineering vs. science, academic skills, time management, choosing a college, and internship/co-op education. Cost will go to materials needed for various workshops. Sponsoring company's logo will be displayed at each event held at PCI mini-conference with the exception of the Try Math A Lon. If interested, workshop presenters needed.

(4 sponsors needed)

➤ **Benefit:** Company logo displayed at every PCI program/workshop in mini-conference

Sponsorship Cost: \$2000 (per sponsor) or \$8000 for full sponsorship

Sponsorship Code: R6S0717

PCI Try-Math-A-Lon

This is a competition for high school students in which they compete at the FRC in a math competition. PCI students will participate in a tutoring program in which they will be paired up with college students within the same geographical area; they will retain this partnership for one year. The collegiate student task is to prepare the PCI student for the competition in addition of mentoring the student. Cost will go to provide awards to winners. Sponsoring company's logo will be displayed at the event.

(1 sponsor needed)

➤ **Benefit:** Opportunity to display various corporate advertisement materials at event.

Sponsorship Cost: \$2500 (not including cost of corporate material decoration)

Sponsorship Code: R6S0718

PCI Science Fair

The PCI science fair gives students (7th – 12th grade) the opportunity to showcase research they conducted during school session. This event also gives students the opportunity to increase their presentation and communication skills. Cost will go to provide awards to winners. Sponsoring company will be displayed at the event.

➤ **Benefit:** Opportunity to display various corporate advertisement materials at event.

Sponsorship cost: In-Kind

Sponsorship Code: R6S0721

Colligate Sponsorship Opportunities

Chapter Assistance Relief Program

Assist our region in growing by sponsoring the Chapter Assistance Relief Program. This is a program created to assist chapters with travel and accommodations costs associated with conferences. It is also used to provide Chapters with emergency funds as needed. The program provides our members who need financial support, with the opportunity to further develop their skills by networking and learning from other students and professionals at conferences.

- **Benefit:** A great opportunity for **Community Outreach** and **positive exposure**.
(*Unlimited sponsors needed.*)

Sponsorship Cost: \$ 3,000
Sponsorship Code: R6CR640

PCI Program Sponsorship Opportunities

Summer Camping Conference (SCC)

The Region VI Summer Camping Conference (SCC) is an exciting and rewarding opportunity for pre-college (PCI) students. These camping conferences have been a part of NSBE history since 1971. The purpose of the SCC is to motivate students to pursue higher education and to develop interest and skills in the technical fields while engaging in fun activities. SCC also provides an opportunity to introduce pre-college students to careers in engineering and technology through a series of interactive and engaging team-based projects, workshops, and activities.

- **Benefit:** SCC is a great opportunity for **Community Outreach** and **positive exposure**. Company logo displayed at every PCI program/workshop at SCC.
(*Unlimited sponsors needed.*)

Sponsorship Cost: \$7,000
Sponsorship Code: R6SC724

Region VI- Regional Corporate Partnership Packet

Collegiate Conference

Academic Tech Bowl

This is a jeopardy style competition that is designed to showcase academic knowledge of technical engineering curricula and also to promote academic excellence. The objective is to prepare collegiate members for the topics covered in the Fundamentals of Engineering (FE) and Engineering in Training (EIT) exam. Cost will go to awards for winners and materials needed for competition. Sponsoring company's logo will be displayed at the event.

➤ **Benefit:** Opportunity to display various corporate materials at event.

Sponsorship Cost: \$2500 (per sponsor) or \$5000 for full sponsorship

Sponsorship Code: R6S0719

Technical Paper Workshop

The purpose is to assist graduate students in gaining technical & professional skills in writing and in theoretical research. Participation can also encourage undergraduates to pursue graduate degrees. Sponsoring company's logo will be displayed at the event. Workshop presenters needed; will be considered an in-kind donation equivalent to \$1500 per sponsor in terms of sponsorship levels.

(2 sponsors needed.)

➤ **Benefit:** Opportunity to host a workshop and personally network with attendees.

Sponsorship Cost: Workshop presenters needed (equivalent to \$1500 per sponsor)

Sponsorship Code: R6S0720

Undergraduates Technical Research

Undergraduate students who have participated in undergraduate research at their institution will be able to showcase and present their research on a poster. Cost will go towards awards, which will be given to the most exceptional presentations. Sponsoring company's logo will be displayed at the event.

(1 sponsor needed.)

➤ **Benefit:** Company logo on the award

Sponsorship Cost: \$2500

Sponsorship Code: R6S0721

Region VI- Regional Corporate Partnership Packet

Programs Lounge

This is a forum for every chapter to showcase their successful programs and events. Prizes will be awarded for the most creative poster, the most impacting programs and the most involved chapter. This is a great way to show your support for our members' yearly dedication.

Sponsoring company's logo will be displayed at the event.

(2 sponsors needed)

➤ **Benefit:** Company logo on each certificate awarded

Sponsorship Cost: \$1500 (per sponsor) or \$3000 for full sponsorship

Sponsorship Code: R6S0722

Corporate Executive Roundtables – Collegiate/Alumni

This *new* program will consist of a set of simultaneous workshops, which focus on various topics.

Sponsoring company's logo will be displayed at the event. Sponsoring company will also have

direct access to gain quality face time with 50-100 conference attendees at one time during workshop.

Workshop presenters needed; will be considered an in-kind donation equivalent to \$2000 per sponsor in terms of sponsorship levels.

**Choose of topic must be approved by Region 6 FRC Chair and Region 6 Finance Chair*

(6 sponsors needed.)

➤ **Benefit:** Opportunity to host a workshop and personally network with attendees.

Sponsorship Cost: Workshop presenters needed (equivalent to \$2000 per sponsor)

Sponsorship Code: R6S0723

Regional Scholarships

This is an opportunity to demonstrate your company's altruism by offering financial assistance to those members who have distinguished themselves in both the classroom and dedication to the NSBE mission.

Sponsoring company will be verbally recognized at awards ceremony.

(4 sponsors needed.)

➤ **Benefit:** Opportunity to present awards to recipients at closing extravaganza, certificate will contain sponsoring company's logo

Potential Region 6 Supporter,

I would like to thank you in advance and once again re-emphasize the fact that NSBE Region VI looks forward to **gaining a new and everlasting partnership** with your company as well as **improving relations** with partnerships we have held with companies in the past. I strongly encourage you to reply at your earliest convenience as our conferences rapidly approach. We would greatly love to have representatives from your company attend and participate in our programs. Please do not hesitate to contact me with any questions or concerns!

****Companies who commit any type of sponsorship (monetary or in-kind) by October 16th , and who participate in our career fair will have the opportunity to send a total of one (1) email blast to all of our registered NSBE members who will attend our Fall Regional Conference. This email blast may serve to benefit your company in which our members may receive prime information about your company and possibly directly upload their resume to your website per your request in the email blast.**

****Once completed, please fax the sponsorship form to (703)-683-5312 or you may email it to the following email address: corp_relations@nsbe.org.**
